NEW PRODUCT ANNOUNCEMENT

Face Mask Strap Clip

Place irritating mask strings onto the clip instead of the ears. Loop the mask string loops onto the clip's notches. The clip rests on the back of the head.

Features

- High-density polyethylene plastic
- Notches on the clip for mask strings
- Easy to clean and re-usable

Benefits

- Relieves the mask strings on the ears that cause irritations, redness, abrasions, and blisters
- Semi-flexible plastic fits the curve on the back of head
- Multiple notches on the clip allow adjustments to fit the mask string lengths

Additional Details

- Size: 1 1/2"H x 6 1/8"W x .035" thick
- Made from black high-density polyethylene plastic
- Sturdy, wear-resistance material resistant to moisture and chemicals

No.	Pkg. of 10
GZ2435
