
FLOOR DRAIN LABELS

Scope:

This specification covers pressure sensitive markers to be used to identify floor drains.

Material:

Clear Vinyl - Permanent with a smooth non-slip laminate.

4.0 mil hard clear vinyl provides durability for ease of installation and removal. Printable via UV and solvent screen, UV and solvent inkjet, and UV offset. High-performance permanent adhesive bonds well to ABS, acrylic, Formica, aluminum, stainless steel, HDPE, painted metal, styrene, painted non-vinyl wallboard, glass and more. 90lb poly-coated lay-flat release liner for ease of converting.

Adhesive:

The base film shall have an adhesive at the back of the label.

Printing:

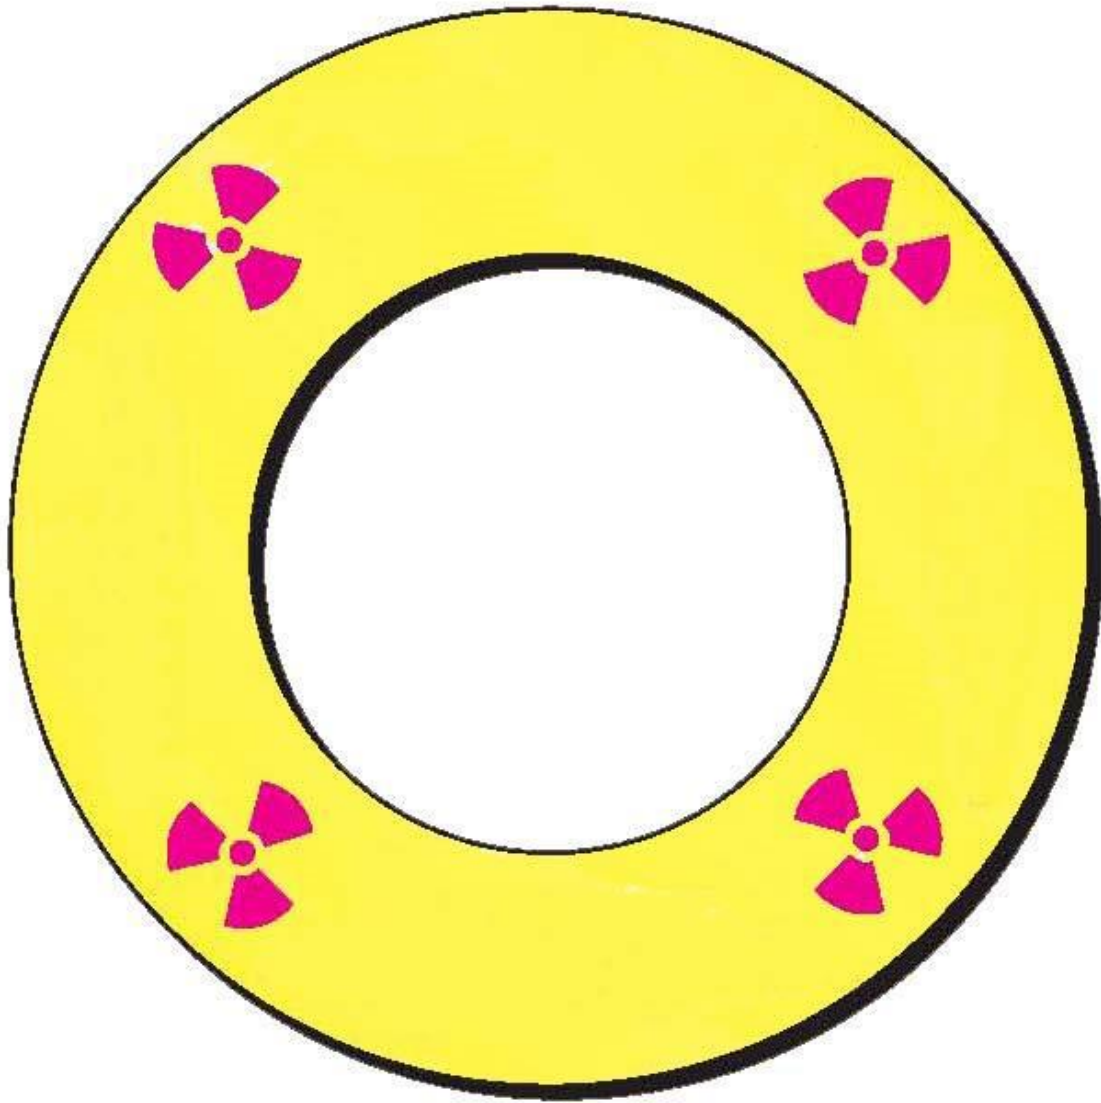

Each marker may have a unique, one-of-a-kind legend. The legend shall be printed in magenta ink on a yellow background or any other color combination of your choice.

All legends shall be in capital letters. Markers shall be printed directly onto the base film.

Dimensions:

The round markers shall have an OD of _____ and an ID of _____ (specify).

Create your own drain label. Photocopy this page, fill out and fax to 985-809-7440 or email to sales@gocorp.com. Available in any color of your choice and without Trefoil. Call 800-933-8501 for more information.
